

A romantic photograph of a bride and groom dancing at night. The bride is wearing a white lace wedding dress with a sheer, beaded capelet. The groom is in a light-colored suit. They are smiling and looking at each other. The background is dark with warm, out-of-focus string lights creating a bokeh effect.

**GENERAL
INFO.**

WHAT IN THE WORLD IS A MINIMUM SPEND?

We're all about transparency, so let's cut to the chase.

Aquavue works on a minimum spend amount which all goes towards venue inclusions such as your bar tab and food. This means that all the luxury of our function spaces and that stunning view is really complimentary as you're getting it all back in goodies (like food, drinks etc)! These prices are simply minimums, so depending on the package or items that you're after, total pricing may differ from this slightly.

For total exclusivity of the venue the following minimum spends will apply:

PEAK

\$7,000.00

NON-PEAK

\$6500.00

Peak period: Christmas/New Year (December 1st to January 31st) and Queensland School or Public Holidays

For other minimum spends and areas, please see our Function Packages.
