WHAT IN THE WORLD IS A MINIMUM SPEND?

We're all about transparency, so let's cut to the chase.

Aquavue works on a minimum spend amount which all goes towards venue inclusions such as your bar tab and food. This means that all the luxury of our function spaces and that stunning view is really complimentary as you're getting it all back in goodies! That's right, we charge **NO VENUE HIRE FEES!!**

These prices are simply minimums, so depending on the package or items that you're after, total pricing may differ from this slightly.

Please see the 'our spaces' page for our available areas and the minimum spends associated.
